16TH JULY, 2021 End of Year Newsletter

Dear Parent/Guardian,

We hope you have been well this far. At Mt. Longonot Schools we have every reason to be grateful to God for seeing all of us through this difficult times of COVID-19 pandemic. Today, as we mark the end of our school year, we wish to thank each one of you for staying strong and we are glad you have walked with us throughout the journey. God bless you.

It is with humility that we congratulate the PP2 Class of 2020/2021 as they graduate in readiness to join primary school. This is a memorable milestone to these wonderful angels.

In equal measure we congratulate the KCPE Class of 2020 who sat for their national exam and did well.

In the coming year, we renew our commitment to teach, guide and mentor our learners in order for them to grow individually and collectively in all aspects of life. MLS will continue to be a safe, welcoming and resourceful environment for the learners, the staff and the parents.

All learners are to bring 1 ream of white printing papers at the beginning of every 1st term of academic year.

2021 HIGHLIGHTS

The year 2021's main highlights include: commendable academic performance, impressive discipline and social skills among students. It has taken everyone's effort to achieve all these. We thank you for your invaluable role.

SCHOOL FEES

Please note that all fees must be cleared on or before the first day of the term. This may be paid directly to the school account or through a banker's cheque, and the payment slip sent to school immediately.

Thank you and God bless you.

Sincerely,

SUSAN KANYINGI
DIRECTOR

IMPORTANT DATES

- ❖ The school opens on **Sunday 25th July 2021** for boarders and **Monday 26th July 2021** for day scholars. This marks the beginning of 1st term's academic work for all levels of learning; both 8-4-4 and C.B.C learners. Midterm break will take place from **25th August – 29th August 2021**.
- ❖ We shall have admissions interviews for new students in our school from **19th July-24th July** from **8:00am-3:30pm**. Kindly inform interested parents to contact the school for bookings.
- ❖ Manageable holiday assignments have been issued to the learners. We urge parents to ensure that the work is thoroughly done and in completion.
- ❖ Learners in pre-school, Grade 1 to Grade 5 will study under CBC, while learners in STD 6 to STD 8 will study under 8-4-4 system.
- ❖ In line with changing trend, we will re-launch the 4-K Club in the school. The ministry of Education in conjunction with Ministry of Agriculture, Livestock, Fisheries and Cooperatives is spearheading this. This was launched by H.E The President on the 4th of June 2021 national wide. This is to provide the perfect environment for pupils to holistically engage in activities within the agricultural value chain.
